## Financial & Appointment Policies

*Thank you for choosing us as your veterinary health care provider. After you have read the following, please sign the bottom of the "Client Information" form.*

### **Cancellation and "No Show" Policy**

We respect the importance of your time, and we work very hard to schedule appointments that accommodate the busy scheduling needs of all our Clients. In return, we ask that Clients make every effort not to change their reserved Veterinary appointments. Late or missed appointments create a problem for other clients and patients in need of our services. If you need to reschedule or cancel the appointment, please call us at least **24 hours before your appointment**. If you fail to keep an appointment and have not called to cancel, the appointment will be considered a "No Show." **There will be a \$25 charge to your account for all "No Show" appointments.**

### **Financial Policy**

We are committed to your cat's treatment being successful and as cost effective for you as possible. **Full payment is due at the time of services.** We accept cash, checks, Care Credit, and most major credit cards. A deposit of 50% of estimated charges may be required before extensive services are rendered.
